NEWS NOTES AT THE COUNTY SEAT

A rather peculiar appeal has been filed from the decision of Judge R. B. Goodell in the suit of Leon A. Atwood, who was awarded $2740 for the loss of apples which the California Ice company could not produce. It was a case of "Apples, apples, who's got the apples." The fruit had been stored in the warehouse of the defendant and when called for could not be found. As a result, Atwood was awarded damages. Now the ice company comes forward with the claim that rats must have eaten the apples and therefore they are not responsible for the loss and should be relieved of damages. Now it will probably have to be proved who the rats that presumably ate the apples, belonged to in order that the owner can be sued for allowing his rats to run at large and endanger other people's property.

Chas. Allen, the young man who held up and robbed the Webster cigar store in San Bernardino several weeks ago, appeared in court Tuesday for sentence. Judge Goodcell gave him the sentence prescribed by law, from one year to life. His companion in crime, Eric Brooks, was given the same sentence last week. It was expected that a plea for clemency would be made by Allen's attorneys but it did not materialize. If it had been granted, two officers from Venice were on hand to present a warrant for Allen's arrest on a charge of stealing an automobile in Venice. There was no escape.

In the justice court Tuesday, a doctor was suing to recover an alleged balance that he claimed was due him from a patient. His contention was that a contract existed calling for $100. The defendant denied this and proved that he had several times asked the doctor what his bill was and had paid altogether $40. The judge ruled that while the doctor might have had in mind such a contract no evidence had been shown that it existed and he therefore denied judgment to the doctor.

That a wife cannot always claim a share in her husbands's property was shown by the decision of Judge Curtis in the suit of Mrs. Maye, who was trying to obtain a share of the proceeds of a lot that the husband sold after he had separated from Mrs. Maye. There was afterwards a reconciliation and Mr. Maye contended that the sale was illegal as the deed did not have her signature. As Mrs. Maye had received $600 at the time of separation, the judge ruled that this was a property settlement and Miss Simonds, to whom the lot was sold will retain possession of the property.

The Sheriff's office has had a busy period lately. Wednesday night, about 7 p. m., the telephone rang in the office and the guard at the prison camp called and told of the escape of 11 prisoners. They had in some manner opened a section of the heavy wire netting that surrounded the pen and walked to freedom. Of course it is not known, but it is thought that the prisoners had for some time planned the escape and smuggled in road tools with which to pry an opening. One of the prisoner was an "honor prisoner" but he had a chain fastened to him in spite of that fact. Even then he escaped. While there have been a number of escapes since the establishment of the camp, this is the largest in its history. A posse was immediately sent to the camp from San Bernardino and a thorough search was made. Up to a late hour this afternoon, Thursday, no trace has been secured of the men.

Thursday morning, City Marshal George of Colton brought over from Colton a prisoner whom he had arrested there Wednesday night. The Mexican, a well dressed man, gave his name as Pedro Rodriquez and admitted that he had a prison record. He carried a grip packed with personal articles and when searched was found to be a veritable jewelry store. Around his body was wound a rope of pearls which if genuine would be worth a king's ransom. By count there was said to be 100 graduated pearls. Several other pieces of apparently valuable jewelry were found on his person. Whether these articles are mere trinkets, with which some people like to adorn themselves, or are the real thing, remains to be decided. If they are real it will be up to the man to prove where he obtained them. He is said to have claimed that he found the grip and other things. As there have been many jewelry robberies lately this man's arrest may lead to the clue that will clear up some of them.

The Farm Bureau

Owing to the heavy rains of the past week, the Farm Center meetings of the Bureau have been disarranged, several having to be cancelled during the month of December. A new schedule is being made for the month of January.

Professor Bioletti of the College of Agriculture at Berkeley will be in San Bernardino county January 5th and 6th to hold a pruning demonstration on grapes in the Cucamonga section. The vineyard on which the demonstration will be held will be announced later.

J. P. Coy, county horticultural commissioner, held a meeting of his assistants in his office Wednesday. A review of the progress in all parts of the county was made of their work and the results of a strict inspection.

Harry L. Allison, county clerk, has opened the campaign to fill the great register of voters throughout the county. While the great book which expires Saturday, contained 29,000 names, with the great increase in population, it is expected that the new register will contain at least 33,000. Ample opportunity is to be provided so that every qualified voter may have an opportunity to get his or her name on the register. Mr. Allison wishes to impress on all voters the necessity of early registration as it is only a short time to the next primary election. Many registration deputies will be appointed in all parts of the county, so there will be no excuse for a failure to register.

Judge Curtis of the Superior court granted a temporary injunction to the complainants in the case of W. A. Strong, Georgie B. Evans and others in the case against the city of Upland in regard to the improvement of Second avenue.

INJUNCTION GIVEN ON 2ND AVE. OPENING

Temporary injunction, to which City Attorney Swing of Upland in behalf of the city offered no objection, was granted Georgia B. Evans and W. A. Strong in their effort to prevent the extension of Second Avenue from Eleventh street north to Twelfth street. Attorney Oster, formerly a superior judge in this county, represents Mrs. Evans and Mr. Strong who own the citrus property through which the proposed road will pass.

The issuing of a permanent injunction by Judge Curtis, who issued the temporary injunction, now hinges on whether or not the street opening proceedings are legal. City Attorney Swing is certain that they are legal and that there will be very little delay in the opening of Second avenue, thus connecting the main business artery of the city with the Foothill Boulevard.

TO OPEN REGISTER FOR COUNTY VOTERS

Big task of registering 35,000 voters in San Bernardino County will be started by County Clerk Harry Allisor on Tuesday of next week.

That is, the task will begin officially on that date, but for weeks Mr Allison and members of his staff have been preparing for the opening of the new great register, which is made every two years by the County Clerk.

For the men and women of the county over the age of 21 years to be able to vote in next year's elections, they must first get their signatures and other information regarding themselves in the great register.

Register Expires Saturday

The great register, which expires on Saturday night of this week, contains approximately 29,000 qualified voters.

"We expect that the new great register will contain about 35,000 names," said Mr. Allison. "There has been an increase in population and in addition to this factor the 1922 elections will be for all offices from township justices and constables to governor. In other words there will be many local candidates, who had no campaigns two years ago, and this always figures largely in registration. The personal element does this, for there is always a noticeable increase in interest in elections in which all county and township offices are involved.

Canvass Districts

In accordance with his policy in the making of the last great register, Mr. Allison will provide every possible facility for the convenience of voters in registering. Registration deputies will be appointed in all parts of the county, and they will be required to thoroughly canvass their districts.

Beginning with the opening of the county clerk's office on Tuesday, all persons who are qualified to register can do so at the county clerk's office.

The registration is in duplicate, one copy being placed in the precinct books for use of election boards and the other going into the general index.

Mr. Allison will conduct a campaign of education to urge that voters see to it that they are registered, for there is only a period of less than seven months before the primary election.

PASADENA PARADE MONDAY JAN. 2ND

Parade and "East and West" football game will be held on Monday, January 2, 1922.

Parade pageant moves from Colorado street and South Orange Grove avenue, Pasadena, at 10:45 o'clock in the morning.

Route of the parade is as follows: Colorado and Orange Grove, east on Colorado to Fair Oaks avenue, south on Fair Oaks to Dayton street, east on Dayton to Raymond avenue, north on Raymond avenue to Colorado street, west on Colorado to Fair Oaks avenue, north on Fair Oaks to Holly street, east on Holly to Raymond avenue, south on Raymond to Colorado street, east on Colorado to Wilson avenue, south on Wilson to Tournament Park which is at the corner of Wilson avenue and California street. By this route the parade passes over a gigantic S-shaped route in the heart of the business district.

There are 17 classes, divided into six divisions in the parade pageant. As prizes 51 handsome solid silver and gold trophies are offered. There will be at least 14 bands in the parade.

At Tournament Park floats will probably be given the choice of entering the Park through the California street automobile entrance or of proceeding homeward. Those on the floats are admitted to Tournament Park and the football game as guests of the Tournament of Roses Association.

The predominant flowers to be used in the pageant this year are roses, carnations, challengilas, stocks, poinsettias, violets and lillies. The principal streets to be decorated are Colorado street from Orange Grove to Wilson, Fair Oaks from Holly to Dayton, Raymond from Dayton to Holly. All the electric trolley wires on these strees will be trimmed as follows: on each cross wire there will be two large American flags at the sides flanking two [illegible] for each of the colleges done in college colors and in the center will be a large flag lettered alternately on both sides—U. of C. and W. & J., with suitable football decoration. These center flags will have tasselated and painted fringes.

Over 200 electroliers along the route of the parade will be incased with novelty trimmings and American flags set off from palm fronds. There will be one set of American colors and one set of football colors to each of these electroliers.

At Tournament Park every box in the grandstand will be topped with a large American flag and on the front of the boxes will be decorations throughout the entire length.

The college boxes will be decorated with the colors of the two teams, one set of goal posts to be done in California colors and the other in Washington and Jefferson colors.

The main entrance to the grounds at Wilson and California and the automobile entrances on California street and Wilson avenue will be appropriately decorated. All decorations will be in place not later than January 1st and are to be removed not later than January 4th.

Walter Raymond, who has for years had charge of this work, is this year as usual chairman of the Street Decorations Committee.

Entrance to the Tournament Park football grandstands will be permitted at 1 o'clock in the afternoon.

The game will probably start at 2:15 o'clock. There is no entertainment feature planned at the Park except the football game.

NEW YEAR CUT IN WAR TAXES

Uncle Sam, with one mighty blow at midnight on December 31, will save to the people of San Bernardino county probably nearly $400,000 in the payment of war tax.

There is no way to figure the exact amount, although figures are available on the largest item—the elimination of the 3 per cent tax on all citrus fruit shipments. This one item, which the growers always figured came out their pockets instead of the consumers in the East, will run about $250,000. The average tax on a carload of fruit has been $20. Last year this county shipped 12,000 cars and this year will ship more than that figure.

The next largest item to the people of this county will probably be the new exemptions on income tax, it being estimated that approximately $55,000 will be cut in this county.

"Nuisance Tax" Doomed

One of the greatest joys, however, will be the outgrowth of the elimination of the so-called nuisance taxes, particularly those on soda fountain items.

No longer will it be necessary for the small boy to forage for the extra penny to pay for his favorite brand of ice cream cone, for the tax of 10 per cent will be abolished at one swoop.

In San Bernardino city the present 6-cent Coca Cola and plain sodas will become 5 cents, the 17-cent dish of ice cream will drop to 15 cents and drinks that cost more than 20 cents will be cut 3 cents.

Cheaper Tickets

Other tax eliminations which will be noticed in every day lift are 8 per cent tax on all passenger transportation tickets of 42 cents and over, 3 per cent on freight, tax of 1 cent on each 25 cents parcel post postage, tax on wearing apparel, tax of 1 cent on each 25 cents of certain kinds of drug and novelty store items, tax on insurance premiums.

Hereafter the American Legion will be able to give entertainments without the additional tax for war purposes being imposed. This also applies to other organizations that give benefits in which there is no personal gain, but where the proceeds go for community improvement such as welfare funds, hospitals and municipal improvements, however, it will be necessary in these cases for the organization to make application to the deputy collector of internal revenue for a permit. In the case of civic organizations such as chambers of commerce, an annual permit may be obtained.

From the view point of the man who dispenses soft drinks the elimination of what has long been known as the "nuisance" tax comes as a long sought relief. The fulfillment of the government obligation, according to one promient San Bernardino caterer, has caused a decided loss in revenue to all dealers in soft drinks. It has necessitated extra bookkeeping and help as well as loss in patronage. It ns pointed out that a great many persons would willingly pay 10 cents for a drink at the soda fountain but that when it comes to the destruction of another nickle to get the extra one cent war tax, they rebel.

It is estimated that the return to the local internal revenue office from San Bernardino city for the present year will be in the neighborhood of $30,000 from the tax on soft drinks alone.

On the Santa Fe, Southern Pacific, Union Pacific and the Pacific Electric plans are already under way for the elimination of the extra service necessitated by the war tax payment.

WHO CAN EXPLAIN THIS MYSTERY?

Was it a holdup or was a Ford driver "just seeing things at night?"

Late last night a Ford driver reported to Officers Haughs and Kronmeyer that as he crossed Mountain avenue he saw two cars lined up along the Foothill Boulevard and in front of one car were two men with their hands in the air while another man stood in front of them. Mr. Ford Driver never stopped but came directly to Upland to report the occurence.

Police Officers J. F. Sawyer, Haugh, Kronmeyer and Freeman proceeded to the spot in a rush and all they found was a lone car with its driver busily engaged pumping up a tire he had just repaired. The man said he had been there for some time, but if anything like a holdup was going on he hadn't seen anything of it, although he remembered that two cars stood for a few minutes up the road.

THE POPPY BLAZES AT ORANGE SHOW

It is to be a California poppy show.

The state flower will predominate in the decorative scheme at the Twelfth National Orange Show, yesterday announced General Manager R. H. Mack.

Not only will the poppy be used, but the California Bear will also have a prominent part in the decorative plan that has finally been adopted by the decorations committee of which B. L. Holmes is the chairman.

The Bear will be used in the form of statuary to be interspersed with silver grey vases of new and attractive design. These will be used both in front of the rack displays and also to form the central court in which the feature displays will be placed.

The poppies are to be of immense size and in the center of each will be a tiny light. They will be used in long strings and will be twined about the statues and in the decorations about the fruit racks and also in the top of the tent in connection with the lights. The poppies will be in several sizes, the larger ones being more than a foot across. By use of greenery to give a contrast, it is believed it will result in a most beautiful decorative scheme.

Tents Go Up Soon

As soon as the new tent is received from the manufacturers in Kansas City, which is expected to be the latter part of next week, the work of erecting the tents at the Ursita grounds will be commenced. All three of the tents will be put up as rapidly as possible in order to keep the grounds dry from this time on until the show.

The early hoisting of the tents will also give an opportunity to get all of the interior work completed except the actual installing of the displays on straight time, and thus avoid some overtime that might be necessary otherwise.

Over 90 per cent of the space in the automobile section of the show has been contracted, and it will probably be necessary to increase the amount of space avaiable for this department.

Posters Arrive

Advance copies of the poster for the Twelfth National Orange Show were delivered at the orange show offices yesterday by Mr. Corbaley of the Western Lithograph company which is making this year's design. The poster is a real work of art and a marked departure from the designs of former years.

The design has for a center figure a great bowl of naval oranges which is done in remarkable coloring. The background has a touch of a confetti shower, suggestive of the carnival idea, while on a high standard in the rear is a golden eagle, suggestive of the national character of the show.

The entire shipment of posters will be delivered within a few days but they will not go out for general distribution until late in January.

GRAMMAR SCHOOLS OPEN HERE ON TUESDAY

Next Tuesday will see the Upland Grammar schools open wide their doors to greet the hundreds of children who will flock from all over the district to continue their studies. It has been a wonderfully happy vacation for the kiddies, and in spite of the rain plans were carried out pretty nearly as first arranged by everyone for their Christmas holidays.

Monday will be another holiday, the banks, business houses and library all being closed, but with the opening of school on Tuesday vacation days will be over for some time. Students at Chaffey Union High School will also start work and Pomona College begins its next session on the third. Many of those attending the University of California, Stanford University, and Mills College will leave for the north some time next week. Several are driving up, while others will make the trip by boat or train.

COMMUNITY PLAY HIGHLY ENDORSED

"She's a wonder!"

That was the verdict of the large audience which last night filled Chaffey Auditorium, after witnessing Mrs. Ruth Kegley's splendid protrayal of the title role of Harry James Smith's splendid comedy, "Mrs. Bumstead-Leigh," the third production of the season by the Community Players, under the direction of Miss Bess K. Fredendall.

It requires real art to slide from the highbrow pose of Adelaide to the "hard-boiled" Della, but Mrs. Kegley proved herself more than equal to the occasion and handled the difficult part throughout with rare professional ability. Her laugh was particularly convincing and she at all times appeared at perfect ease on the stage. A number of handsome gowns added not a little to the part.

Second only to the star was Charles Homewood, whose handling of the part of Peter Swallow, seller of tombstones, was close to perfection. Mr. Homewood was one of the big hits of the play and kept his audience in such an uproar that they all but missed some of his best lines. His makeup was perfect.

It would be difficult to imagine a more splendid portaryal of the part of "Ma" de Salle than that of Mrs. W. H. Turnbull. As the mother, anxious to appear as the real head of the family, the puppet of her clever daughter, she was excellent, furnishing a background for Mrs. Bumstead-Leigh.

Myron Clark looked like Apollo Belvedere in modern garb, but it was not a case of getting by on looks alone, for his handling of the very difficult part of Anthony Rawson was really good, some of his scenes with the impudent Nina being particularly well done.

Miss Hazel Whistler handled Nina with professional ability and her part, though comparatively small, was one of the outstanding bits of the play.

J. F. Regin Toomey was truly delightful as Geoffrey Rawson, the "black sheep" in a family of would-be aristocrats. It was his lot to be misunderstood by the other members of his family and he managed the pose to perfection.

George Phelps handled the part of *Justin Rawson, father of Anthony* and Geoffrey with his usual ability. He looked the part and there was no room for improvement in his handling of the role.

Miss Wilhelmina Barnes depicted the straight and therefore rather difficult part of Violet de Salle in a charming manner. While her part was chiefly to look demure and pretty, the play afforded her one big scene which she got across nicely.

Charles Rankin was perfection as to makeup in the part of Kitson, the gloomy butler and his handling of the part scored heavily with the audience.

Dr. Alfred M. Witham and Mrs. Minnie Roloff had minor parts as Mr. and Mrs. Leavitt, but handled them in a highly satisfactory manner, while Mrs. C. W. Randall did well in the part of Miss Rawson, Justin's snobbish maiden sister.

Miss Fredendall is to be congratulated on her selection of the splendid cast and her splendid direction and coaching was much in evidence throughout the production, which is to be given for the last time tonight.

The Community Orchestra, directed by Fred Wilding, Jr., furnished the excellent music for the entertainment.

'THE SKY PILOT' AT THE COLONIAL

During her recent visit in New York, Colleen Moore, who plays the leading feminine role in "The Sky Pilot," took Wesley Barry to the first circus he had ever seen in his life.

Miss Moore was loaned by Marshall Neilan to King Vidor, who directed "The Sky Pilot" for the Cathrine Curtis productions, and accidentally Wesley Barry, another Neilan star, happened to be in the big city.

While Wesley is quite a man when it comes to drawing a salary, he nevertheless needs someone to take him by the hand when he "steps out." Wesley's fondness for Miss Moore is just another instance of his good judgment, as local movie fans will agree when they see her in "The Sky Pilot," which will start its two-day engagement at the Colonial commencing tonight.

Buck Jones, the Fox star of western drama who is to be shown at the Colonial Sunday only in "To a Finish," was asked recently by a newspaper man if he ever experienced a longing to appear in a society play—or as a socially cultured, drawing room figure.

"What!" he ejaculated. "Why, just think how it would look—or sound. Imagine, for example, the part of Reggie Montmorency played by one, Buck Jones. Say, I'd have to change my name first."

CUCAMONGA

The Cucamonga Womann's Club is meeting this afternoon, Thursday, at the home of the president, Mrs. Mary J. Reid and daughter, Miss Gertrude, and the session promises to be an entertaining one.

Mrs. Maria Moeller returned home on Tuesday after an enjoyable holiday visit with relatives in Los Angeles.

Mr. and Mrs. Bert Hawkey and daughter, Miss Audrey, enjoyed the Christmas week-end visiting at the home of their son-in-law and daughter, Mr. and Mrs. Edwin Bishop Smith, in Los Angeles.

Mrs. W. H. Converse motored in to the Angel City with Mr. and Mrs. Vincent Roth and little daughter, of Ontario, for the holiday week-end with her daughter, Mrs. Franklin Roth and family, returning home on Monday.

Mr. and Mrs. John Belcher, of Alta Loma, are the happy parents of a fine baby girl, Laura Jean, who arrived to gladden their hearts on December 17th, as just announced, and all doing nicely.

Mr. and Mrs. Geo. E. Keyes celebrated their Christmas, Monday with a fine turkey dinner, entertaining as their guests, their daughter and family from Pasadena, their son and wife from Highland, and Rev. H. G. Mullen, Mrs. Mullen and daughter. Mr. and Mrs. Keyes returned home Sunday after spending Saturday in Los Angeles and Pasadena.

PEARSALL-UPJOHN WEDDING TOMORROW—

An event of much interest in Upland and Ontario society circles is the wedding tomorrow of Mrs. Lelia Shelby Upjohn of Pasadena and Gilbert Hazard Pearsall of Los Angeles, which is to be solemnized at high noon at the First Presbyterian church of Pasadena and which will be followed by a wedding breakfast at the Hotel Vista del Arroyo.

Mr. Pearsall is well and favorably known in and about Upland, having made extended visits at the delightful ranch home of Mr. and Mrs. Albert Lincoln Swift of the Alta Loma district. He was a prime mover in the recent organization of the Red Hill Country Club and has taken a live interest in the affairs of the community.

Many from Upland and Ontario are looking forward with pleasurable anticipation to attending the wedding and breakfast.

KLUSMAN-ANDERSON NUPTIALS—

Amid the picturesque surroundings of babbling mountain brook and famous old sycamores, the now noted hostelry "The Sycamores" proved a brilliant setting for a charming holiday wedding on Tuesday evening of this week, Miss Emma Ruth Klusman, eldest daughter of Mr. and Mrs. Henry G. Klusman, becoming the bride of Harold William Anderson, son of Mr. and Mrs. Martin Anderson of Redlands; a prominent young business man of that city, being associated with his father in the manufacture of flumegates. Over one hundred and sixty-five guests, including friends and relatives from Los Angeles, Pasadena, Pomona, Ontario, Upland, Redlands, Cucamonga, Alta Loma, Etiwanda and San Bernardino assembled in the spacious lobby, which was beautifully decorated for the occasion with gilded hanging baskets of unique design, filled with pink carnations, white blossoms and plumosis fern, carrying out the pink and white motif. Cedars and evergreens over the great fireplace, festoons of smilax covering the staircase, baskets of Christmas green and mistletoe everywhere, greeted the eye from every nook and corner, and suggested the merry Yuletide season. Suspended over one corner of the lobby was a great pink and white wedding bell with a background of palms and ferns banking an improvised altar. Promptly at 8 o'clock the soft notes of "Ave Maria" as played by Miss Mildred Milliken at the piano with violin accompaniment by Miss Mildred Ruth Palmer, preceded the inspiring strains of "Mendelssohn's Wedding March," played by the bride's younger sister, Miss Catherine Klusman. Forming a flowery lane with ropes of smilax, Masters John and George Klusman, Jr., nephews of the bride, heralded the approach of the bridal party down the grand stairway. Little Miss Margaret Klusman, a niece, daintily frocked in pink silk crepe and carrying the ring in a bouquet of violets, preceded the little flower girls, Misses Vivian Klusman and Dorothy Pendleton, sister and cousin of the bride, in pink georgette dresses and carrying pink and blue baskets of Cecil Bruner roses. Miss Marian Belden as bridesmaid was very attractive in a bewitching gown of shell-pink taffeta with an arm bouquet of pink carnations and maiden-hair fern, followed with Norman Anderson as best man, brother of the bridegroom.

The lovely young bride entered on the arm of her intended and was met at the altar by Rev. H. C. Mullen, pastor of the Cucamonga Methodist church, who read the impressive marriage service. The bride, a noted blond beauty, was radiant in white silk crepe, with an overdrape of equisite imported lace, wearing a handsome rope of pearls, a gift of the groom, and carried a bouquet of brides' roses and maiden-hair fern. A bridal veil was effectively caught to the coiffure with a head dress of tulle and lillies of the valley, with sprays of orange blossoms.

During the ceremony Miss Milliken softly played the sweet old air "O Night of Love." Congratulations were then showered on the happy young couple, who received many beautiful and useful gifts,testifying to their popularity among a large circle of friends.

The bride has lived in Cucamonga all her life and numbers her friends by the score.

At 10 o'clock the great diningroom was thrown open, where a sumptuous five-course dinner was served, roast turkey being the piece d' resistance. The banquet tables were tastefully arranged to form a square about the bridal table, which was centered by a magnificent white wedding cake, crowned with a miniature wedding bell. Pink carnations and greenery decorated the guest tables. As the bride left the diningroom, she tossed the bridal bouquet over the heads of the diners, Miss Marian Belden making the lucky catch. The bride's traveling gown was of broadcloth with corresponding appointments.

The young couple made a successful get-away, leaving by automobile for parts unknown, followed by a shower of rice, confetti and good wishes. They will be at home after February 1st, at 204 East Olive street, Redlands, where Mr. Anderson has just completed a new bungalow for his bride.

Immediate relatives of the groom in attendance were his parents, Mr. and Mrs. Martin Andersen of Redlands, his brother and wife, Mr. and Mrs. Norman Andersen, and youngest brother, Master Martin, Jr., a brother-in-law and sister, Mr. and Mrs. Clark Ray, all of Redlands, and an older brother, Arthur Andersen of Los Angeles.

CINNER PARTY AT THE SCHERTS HOME—

Among those present were Mr. and Mrs. E. H. Haury, Miss Ethel Edwardes and Messrs. Paul Haury and Russell Huffman of Upland, Miss Iola Wangler, Miss Ada Edwardes and Miss Wara Hirley of Alta Loma, Messrs. John McKee and Clarence Crawford of Alta Loma.

William Mitchell, full of a concoction they sell at the county seat, came to town and the more of the concoction he consumed the more was he firm in his opinion that he could whip the entire police force of the city of Upland. The result was that he spent the night in the city jail and this morning appeared before Judge Crane who fined him $25.00 or 25 days in jail. The police force is still in fine condition.

With the coming of clear weather and a little sunshine "us" Californians are getting dried out. Folks here from Oregon had a glorious time during the rainy weather.

Officer Sawyer and Mrs. Sawyer went to Los Angeles this morning, called there by the illness of Mrs. Sawyer's mother.

Scott's Greater Shows, staging the Mid-Winter Carnival, played to a full house last night and the crowd seemed to have a good time. The athletic tent is proving of decided interest locally, for a wrestler pays any man $1.00 a minute who can successfully stand up against him. Ernest Cline is carrying off the honors for the first night he held the wrestler ten minutes and last night twelve minutes.

Mr. and Mrs. J. T. La Master of Creston, Iowa, arrived in Upland last week and are visiting at the home of Mrs. La Master's sister and brother-in-law, Mr. and Mrs. T. D. Maxwell of Eighth avenue. They will spend the winter in California.

The regular meeting of the Ladies' Aid Society of the Presbyterian church, scheduled for next Tuesday, will not be held until the following Tuesday, January 10th, at 2:30. Members are asked to keep the change of date in mind and make an effort to be present as this is the annual meeting.

Spencer, Phone 134-J, not later than Tuesday noon.

Klusman, early in the season. During the afternoon the guests were merrily entertained by a "Chinese Oracle," who foretold the past, present and future in quite a marvelous fashion. Music was enjoyed and best wishes extended to the bride-to-be.

ONTARIO

With some 45 city business licenses still unpaid and the first of the year only two days distant, City Attorney Ben F. Warmer was today considering the advisability of arresting business and professional men who have been negligent in this matter as the only means of bringing them to time. "Fair dealing would indicate that all city licenses be paid promptly," declared Mr. Warmer. The city attorney went on to say that it was not right that a few should "get by" when the large majority were paying and that if it was necessary to make an example of the delinquent ones, such action would be taken. When it is considered that approximately 375 business and professional men are supposed to pay city licences each quarter, the percentage of delinquents is really small. Formerly city licenses were collected by an officer who made the rounds each quarter. This was all right when Ontario was a village, but when the city became so large that it required the collector days and weeks to complete his task, the city council decided that it was time to call a halt and it was decreed that business and professional men should pay their licenses just as they pay for water, lights, gas and the like. For the most part this plan worked out satisfactorily, but each quarter finds a certain few who have carelessly neglected to pay and the city attorney has about reached the decision that strenuous measures will be necessary to eliminate this trouble which recurs each quarter.

Prompt action of Patrolman A. J. Koller of the night police force early yesterday morning is believed to have spared a serious loss to J. P. Ensley, 126 West D street. While in the vicinity of Stanley's grocery, 417 North Euclid avenue about 3:15 a. m., Koller heard a barn door being opened. Hastening quietly in the direction of the sound, he discovered that the door of the Ensley barn had been opened and while he was unable to see anything in the darkness, he heard the noise of running feet at his approach. It is thought that the thieves were either after the Ensley motor car or were bent on making away with fowls from the poultry house. Thanks to the intervention of the officer, nothing was taken.

Burglars early yesterday gained entrance to the residence of Lloyd Hammond, 128 Monterey avenue, but were frightened away without securing any loot when Milburn Oliver, a brother of Mrs. Hammond, who was sleeping in one of the rooms visited by the burglars, awakened. Upon awaking, Mr. Oliver took the man prowling about to be his brother-in-law, but discovered his mistake when he addressed the man and received no reply. The thieves are believed to have departed in two motor cars.

The Narod Union church was filled to capacity last night for the presentation of the delightful cantata, "A Jolly Joke on Santa," given by the young women of the Sunday school class of Mrs. William Laidlaw, and under her able direction, assisted by a few young men. Santa was much in evidence and distributed sweets to delight the hearts of all the little ones present. Mrs. William Kuhnley served as organist for the cantata and those taking part included the Misses Jewel James, Miriam Haines, Harriett Johnson, Alice Laidlaw, Hazel Eisebraum, Ethel Kuhns, Elva Kuhns, Donna Kuhnley, Alma Hoffman and Laura Hoffman. These young women were ably assisted by Harold Reid in the role of Santa and Jack Springer, both of Upland, Frank Hubbell and Dan Kuhns. The cantata was to have been given last week but was postponed on account of the inclement weather. Chief credit for its success is due Mrs. Laidlaw.

The Rev. Otto Dow Wood of Stirling, Ill., and Mrs. Florence Maud Beggs of Claremont were quietly married Wednesday evening here by the Rev. George W. Irwin, after having secured a license from City Clerk D. B. Wynne. The Reverend Wood is a representative of the general conference of the Methodist Episcopal church and met his bride while on a visit to this conference some time ago. The license gave the ages of both as 44.

Wesley Henke, who is stationed at Mare Island with the U. S. navy, being in the electrical training school, is at the home of his parents, Dr and Mrs. G. Ben Henke, 317 North Euclid avenue, on a ten days' furlough. Young Henke has been at the naval school for thirteen months.

ETIWANDA

Mr. Frederick Ellisworth Rader, many years a prominent citizen of Etiwanda, died Wednesday morning at 6 o'clock at the Good Samaritan hospital in Los Angeles after a brief illness with heart trouble. Mr. Rader, who for the past four years has been in charge of the government experimental farm at Matinuska, Alaska, reached Los Angeles a week ago on his way to spend Christmas with his father, Mr. E. G. Rader and his sisters, Mrs. Charles Donnelly and Mrs. Edna Brubaker. His son and daughter have been attending school in Hollywood and Mrs. Rader came south some months ago to winter here. The sorrowing family have the sympathy of hosts of friends. Mr. Rader was a man who made many friends and those once made learned to like him better as the years passed. He was a member of the Episcopalian church and their service was used at the funeral which was held on Thursday at 1 o'clock at the Pierce undertaking parlors, 810 South Flower street, Los Angeles. The body was laid to rest in Inglewood cemetery.

The Christmas program given Saturday evening at Cypress Hall under the auspices of the Parent-Teachers Association ranks as one of the finest ever given in Etiwanda. Music by the orchestra was under Mrs. Greenlee's direction, a choir number which was excellent being under Mrs. Scott's direction, but the main part of the program was given by children of the grammar grades and had been rehearsed to the teachers before the close of school, so that the wet weather of the last week failed to do any harm to the exercises. As usual the smallest children won the heartiest applause yet the dialogue given by two eighth grade girls, Mercedes Frost and Margaret Burbank, received its full share. The hall was prettily decorated, a fireplace across a window at the front of the room making a beautiful addition to the usual tree and decorations of holly and other greens. The fireplace proved to be very handy for Santa, too, who arrived, which was most kind of him; just when the program had been completed. A very clever Santa he proved to be, keeping the crowd laughing while numerous gifts were handed out. Messrs. John Frost, W. B. Hutton and Alfred Utman passed the candy boxes, apples and bananas.

On Sunday evening at 5, in spite of a pouring rain, the White Gifts program was given at the church to a good-sized audience, considering the weather. A generous collection was made which will go to the fund for relief in the Near East.

At the Sunday morning service seven new members were added to the Etiwanda church: Messrs. Chas. Donnelly, Morris Frost and Ralph Price, and Misses Winifred Hickox, Pauline and Edna Tilden and Dorothy Cour.

The Ladies' Aid Society which holds the first meeting for 1922 next week will meet on Friday instead of Thursday so that they will not conflict with the Sousa program at Chaffey Auditorium. The plans now are for an all day session for as many as can spend so much time, to fix up and rearrange the church basement.

Mr. and Mrs. George F. Johnston entertained Mr. and Mrs. Spencer Johnston and sons, Mr. and Mrs. Wm. Pearson and daughter and Mr. and Mrs. Philip Johnston for dinner on Christmas day. Mr. and Mrs. Clarence Venner joined the party for the afternoon and evening.

Mr. and Mrs. Clarence Venn and Mr. and Mrs. Desmond Fitzgerald of San Bernardino were holiday guests at the home of Mr. and Mrs. C. C. Brownless.

Mr. and Mrs. George Frost, following a custom of many years, had a family reunion of the children and grandchildren at their home all day on Christmas. Two turkeys, whose combined weight was 33 pounds was only a small part of the wonderful meal served by "Grandma" Frost.

Mr. and Mrs. A. H. Utman entertained Mr. and Mrs. Glen Shepherd and daughters, Dr. A. L. Shepherd, Mr. and Mrs. George E. Utman, Mr. and Mrs. Rolland Jones and children and Mr. and Mrs. Niel Hickox and sons on Christmas Day.

Mr. and Mrs. George E. Utman entertained more than thirty guests on Monday, including the local members of the family and relatives from Riverside and Los Angeles.

Sunday, Mr. and Mrs. Fred Kock and children were part of a dinner party at the home of Mrs. Kock's parents, Mr. and Mrs. Winkler of Cucamonga.

Mr. and Mrs. Harvey Brubaker of Oakland and Rowe Elloise and Bruce Rader of Hollywood were the house guests over Christmas at the home of Mr. and Mrs. Charles Donnelly and Mr. E. G. Rader. Frederick E. Rader, who came all the way from Alaska to spend a Christmas with his aged father arrived in Los Angeles a week ago too ill to finish the trip to Etiwanda. He spent Christmas Day at the Good Samaritan hospital in Los Angeles, Mrs. Rader remaining in the city to be near him.

Mr. and Mrs. W. G. Pearson went to Brawley for the Christmas holiday to be with Mr. and Mrs. Lee Stevens and children.

Postmaster Dugdale played Santa Claus Saturday night when a package delivery of mail, the accumulation of three days rail tie-up came in about 6 p. m. Miss Nellie Fisher called nearly all of the families of the settlement to spread the news of the arrival of the mail and by the time it was distributed there was a long line-up waiting for Christmas mail. On Monday and again on Tuesday the little postoffice was packed with packages.

On Monday Mr. and Mrs. Kock entertained Mr. and Mrs. Winkler of Cucamonga, Mr. and Mrs. Roberts and Mrs. Roberts Sr., of San Berardino and Mr. and Mrs. Gorbett and Mr. and Mrs. Pardee of Ontario.

Mr. and Mrs. Morgan Carter and Harold Ross were home for Christmas at the C. N. Ross ranch on Highland avenue.

"Billy" Scott of Los Angeles was a Christmas visitor at the old home. The rain kept Mr. and Mrs. Charles Jones and sons of San Bernardino from coming out to be with the Scott family for the holiday.

At the home of Rev. and Mrs. C. W. Greenlee, Mrs. Gertrude McDowell and Miss Dorothy Bates of Los Angeles added to the pleasure of a family gathering.

Mr. and Mrs. James B. McNurlin entertained Saturday and Sunday, Mr. and Mrs. Earl Howard of Long Beach and Mr. and Mrs. Carl Brunton of Winfield, Kansas, who are recent arrivals at Long Beach where they expect to reside. On Sunday Miss Getrude Jordan of Upland spent the day with the party.

Mr. and Mrs. F. F. Roe gave up their original Christmas plans which necessitated a long motor trip and spent the day in Pomona with Mrs. Roe's parents.

The young people of the orchestra gave Mrs. C. W. Greenlee a handsome ivory manicure set in appreciation of her efforts in their behalf. Mrs. Greenlee's Sunday School class, whose roll contains the name of nearly every young man in the colony, presented her with a beautiful copy of the Bible printed on India paper and beautifully bound.

Mr. and Mrs. W. B. Hutton and children had a happy Christmas with a houseparty of a number of relatives. Mrs. Hutton's father played Santa at the L. L. Hammersley store on Saturday at 2 o'clock and passed out treats to all of the children who visited the store during the afternoon.

So much rain has fallen during the past week that no one knows whether it is raining "again or yet." People not tourists have even begun to complain of the rain and long for a good wash day and we simply haven't the nerve to ask any of the tourists what they think about the weather in sunny Southern California. Not in years has the country about here had such a wonderful soaking.

Someone unkindly removed 20 good hens from the Dugdale hen roost Friday evening.

LESSON OF THE GOOD FARMER

There is one essential in all economic life. It is a lesson taught us primarily by the good farmer. The wise producer does not consume or waste or sell all of his products. He keeps his best seed for the next year's planting and if there is any doubt about his needs for the winter he maintains a surplus against misfortune or untoward circumstances.

The trouble or one trouble with the people of the United States during the last years of the war and immediately succeeding was that they spent all of their earnings, or most of them, in riotous living. As this term comes from the Bible it is apparent that human nature has not changed very much in six thousand years.

It is no exaggeration to say that during the war in any city hundreds of young men spent from $10 to $20 for silk shirts and these particular evidences of extravagance are now rarely seen.

If the entire country had observed as faithfully a nation-wide money-saving program from 1917 to January 1, 1921, as it observed food saving under Mr. Hoover's direction in 1917 and 1918 there would be little or no complaint of hard times and close money.

Contributions from more than 3500 nurses in California, Nevada, Arizona and Utah will go into the Jane Delano Memorial Fund for which a nucleus was raised during the spring of 1919 by American Red Cross nurses then in France. The plan is to raise $50,000 for the memorial to Miss Jane A. Delano who was Director General of Red Cross nursing service at the time of her death in France three years ago. Its form is not definitely decided upon but it will be placed in the grounds of the National Headquarters of the American Red Cross.

Every member of the nursing service loves the memory of Jane Delano. She exhibited a vision of service that ten years before the war call sounded, built up the Red Cross Nursing Service which responded to emergency calls for famine, fire, flood, pestilence, or any calamity. This group was increased to 8,000 before we entered the war and in 1917 they were ready for active service at the first call of the nation. During the war, 37,000 nurses were enrolled under Miss Delano's direction.

YOUR OWN HOME—

When you build your own home, you build into it your own individuality. Your home then is more than a place to live. There is much satisfaction in building a home the way you want it.

With present prices you'll be surprised how much less it will cost you to build than it did some time ago. Come in and we'll estimate it together.

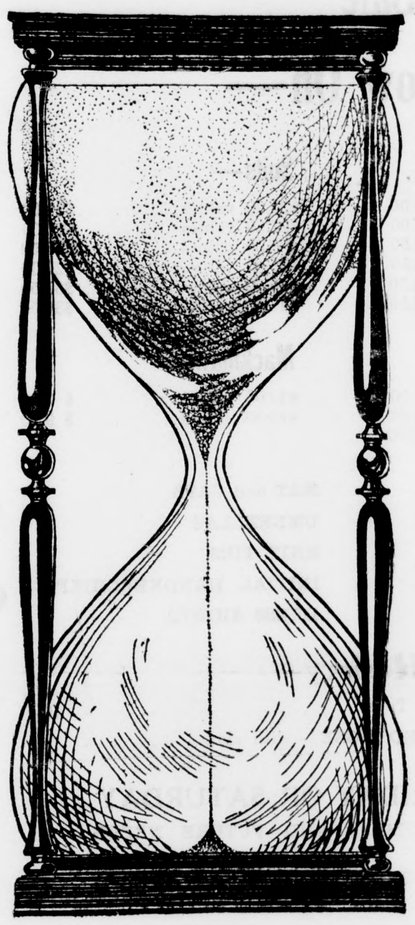
Resolved

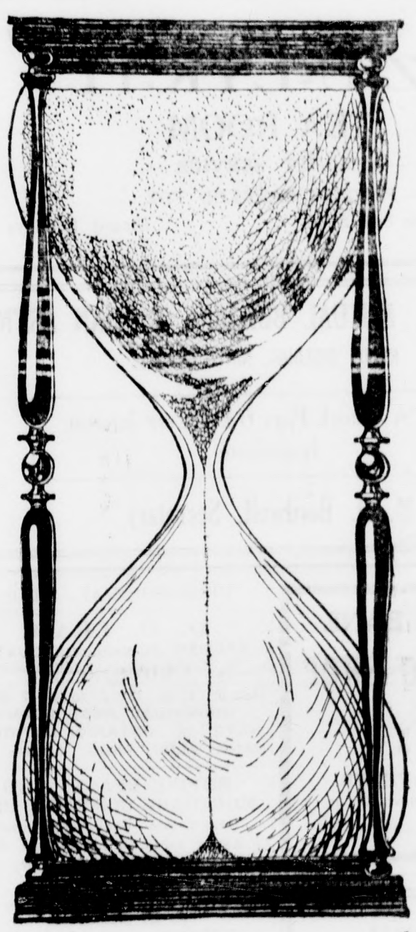


THAT—We will start the New Year in right by first wishing our patrons twelve months of Health, Happiness and Prosperity.

THAT—We will always consider a customer's desires paramount to our own and, even if it necessitates some sacrifice, see that he or she leaves our stores in perfect satisfaction. One satisfied buyer means more to us than a hundred disgruntled purchasers. The one will come back. The hundred will not.

TO SEE—that every article we sell measures up exactly to the claims we make for it and to cheerfully refund the purchase money if, through an error or oversight, it fails to come up to requirements.

TO PLEASE—the public at all times and give it the advantage of the lowest prices in all commodities, thus doing our bit toward bringing the cost of living back to a pre-war basis.



Co-operation means Prosperity for all.
United we stand, Divided we fall.
